Year 4 Residential

Dear families

Our residential visit to Cliffe House, Huddersfield is approaching quickly.

The residential will be taking place on Monday 22 April to Tuesday 23 April for Teesside class and Tuesday 23 April to Wednesday 24 April for Durham. All children are expected to participate in line with our home academy agreement and enrichment offer to students. This will be a wonderful opportunity for our students to develop teamwork, independence and resilience. Students will engage in a variety of outdoor activities which will allow them to apply their learning in a real-life context and develop their leadership skills.

All consent forms and deposits should now have been received. Please speak to the DMP office if this is not the case. Please find below a reminder of the kit list and the agenda for the stay. There is also a medical form attached to this letter for you to fill in if your child requires any medication on the trip, please bring this with any medication on the day of the trip. Students need to be in school at **8am** on the first day of their residential as we will be leaving school at **8:20am**. Breakfast will be provided before we leave.
