

January 2022

Dear families

Miss Rafiq is currently away from the academy due to illness until February half term. This was covered by Miss Brown before the Christmas break but Miss Brown is currently completing a teaching placement at Dixons Allerton Academy.

For consistency, we have managed to secure the appointment of Mr Burniston who specialises in EYFS and Key Stage 1 until February half term who will be supported by Mrs Shehzad and the leadership team. He has previously taught in Leeds class and has already established positive relationships with the students.

Thank you for your support.

Best wishes

**Miss Parry
Acting Principal**
