

Dixons Music Primary Accessibility Plan 2020/21

This plan is drawn up in accordance with the planning duty in The Equality Act 2010. It also draws on the guidance set out in 'The Equality Act 2010 and schools: departmental advice for school leaders, school staff, governing bodies and local authorities', issued by the DfE in May 2014.

Disability is defined by The Equality Act 2010:

“A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities”.

Aim

- To reduce and eliminate barriers to access to the curriculum and to full participation in the academy for students, and prospective students, with a disability.
 - To reduce and eliminate barriers to access to the building and environment for all stakeholders in the academy including students, staff and visitors.
1. The academy's admissions and individual needs policies are consistent with compliance with The Equality Act 2010.
 2. The academy recognises its duty under The Equality Act 2010:
 - a. not to discriminate against students with disabilities in their admissions and exclusions, and provision of education and associated services
 - b. not to treat students with disabilities less favourably for a reason related to their disability
 - c. to make reasonable adjustments to avoid putting students with disabilities at a substantial disadvantage
 - d. to publish an accessibility plan that will increase access to education for students with disabilities
 3. The academy recognises and values parents' knowledge of their child's disability and its effect on his or her ability to carry out normal activities, and respects the parents' and the child's right to confidentiality.
 4. The academy ensures a common high quality of experience for all students to help maximise each individual's potential, whilst supporting creativity and individuality within teaching and learning, through:
 - a. intelligent sequencing
 - b. highly tailored learning activities
 - c. effective formative assessment

Statements of success

For the academy to be fully accessible to those with sensory impairments and / or physical disabilities, including fine and gross motor impairments
