

17 October 2023

Dear families

We are pleased to inform you that year 5 students are taking part in The School Linking Project again this year. This is a scheme in which year 5 classes in different schools across West Yorkshire get the opportunity to communicate, collaborate and experience life in other schools.

As part of this project, pupils will be sending letters and creative artwork to get to know each other better. It is beneficial to share photos or film clips between classes in the two participating schools to ensure pupils recognise each other for future in-person visits. This information will only be shared with the participating class and relevant staff and all GDPR procedures will be followed.

In addition, there will be the opportunity for some students to take part in interviews to promote the project and these may be used for marketing purposes.

Please return the permission slip below and tick the relevant boxes to you wish to give consent for.

Year group: Year 5

Classes: York and Manchester

Kind regards,

Mr Hill and Mrs Parveen  
Year 5 Class Teachers
