

September 2026

Dear families,

We hope you are having a wonderful term so far. Our school library is a wonderful resource that allows our pupils to explore new worlds, discover new interests, and develop a lifelong love of reading. To keep our library running smoothly and ensure that all children have access to a wide variety of titles, we rely on books being returned on time so that others can enjoy them.

Unfortunately, we currently have a large number of library books that are significantly overdue or missing. While we understand that books can occasionally get misplaced at home, replacing lost books comes at a great cost to school. Going forward, we are introducing a standard **charge of £5** per book for any lost or unreturned library books to help cover replacement costs. This will be issued on your ParentPay account.

Please check bedrooms, bookshelves, under beds, and back bags for any outstanding school library books. Return any found books to the school office or class teacher.

Thank you so much for your support in keeping our library full, vibrant, and accessible for every child.

If you have any questions about the workbook, please do not hesitate to speak to us.

Yours Sincerely,

Mrs Keenan
