Dear families

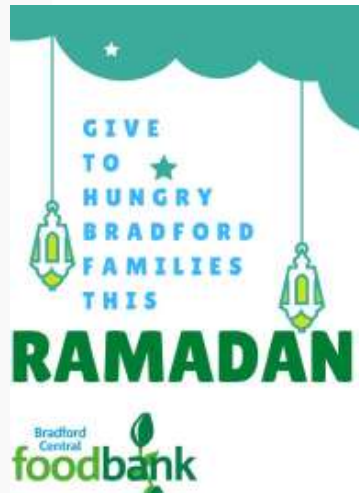

The Bradford Central Foodbank Ramadan Donations

The academy partnered up with the Bradford Central Foodbank over the past 2 years to ensure families had access to food during lockdowns. The 'Cost of Living' crisis is having such a big impact on local families who are struggling the most.

As part of our continuous partnership, we have been approached by Bradford Foodbank who are asking for food donations to give to hungry families in Bradford during Ramadan.

Please donate as many non-perishable items as you can by bringing them into the academy **on Wednesday 29 March and Thursday 30 March**. We are unable to accept donations before / after these dates due to storage restrictions:

- Chapati Flour
- Rice
- Lentils
- Pulses
- Tinned Tomatoes
- Jam
- Tinned Fish
- UHT Milk
- Tea and Coffee

Thank you for your support,

Mrs Keenan
