Dear Parent/Guardian,

School based toothbrushing programme

In partnership with your children's school, we are delivering a toothbrushing programme that will involve your child toothbrushing once a day with fluoride toothpaste at school. This has been shown to improve children's dental health. The children will be brushing their own teeth under the supervision of the staff.

If you do not want your child to take part in the toothbrushing programme, please complete the form below and return the slip as soon as possible to the school. If you have any queries about the programme, or would like more information, please contact the Oral Health Improvement team on 01274 259084/5.

Yours faithfully

Community Dental Service

Head teacher

Toothbrushing programme withdrawal slip (Please detach and return to school).

If you do not wish for your child to take part in the programme please return the slip below by 25/09/2025.

I do not want my childto take part in the toothbrushing at school programme.

Signed parent/ guardian Date
