

May 2026

Dear Families

### **Careers Day – Monday 9 March 2026**

Dixons Music Primary will be holding a Careers day on Monday 9 March. Careers Day is an initiative to inspire children to think about their future ambitions, goals and aspirations. This gives them an insight into different careers and what their future may hold.

On the day the children will be taking part in fun career related activities with a focus on their future plans and goals. We will also have guest speakers talking about their careers and the journey they embarked upon to achieve their goals.

We are asking each child to dress as themselves in a job they would like to do in the future. Children don't need full outfits or costumes; just encourage them to use their imagination and think about a few props that will help express their ambitions for the future.

As always, thank you for your support.

Kind regards

**Alex Hill & Suman Hussain**  
Year 6 Class teachers
