Dear families,

Christmas Card Competition 2026

The Department of Children's Services are inviting all the young people of Bradford to design a Christmas-themed image that represents the theme of 'A Child's Christmas' that can be used in celebration cards for the Council. These will be sent to hundreds of businesses, organisations and individuals across the Bradford district.

Judges will be looking for imaginative and eye-catching designs that represent what this special time of year means to different people. This could be a winter landscape of the area, a portrait of a festive scene, a still life with a festive theme or something of the pupil's imagination! The winner and the runner-up will each receive a prize and a certificate from the Department of Children's Services.

Any pupils wishing to participate in this opportunity should complete their designs on the reverse side of this letter in the spaces provided. All entries must be submitted to the academy office by **Friday 9th October**.

Thank you for your continued support.

Yours faithfully,

Miss O'Gan
