## MISSION, VALUES & DRIVERS

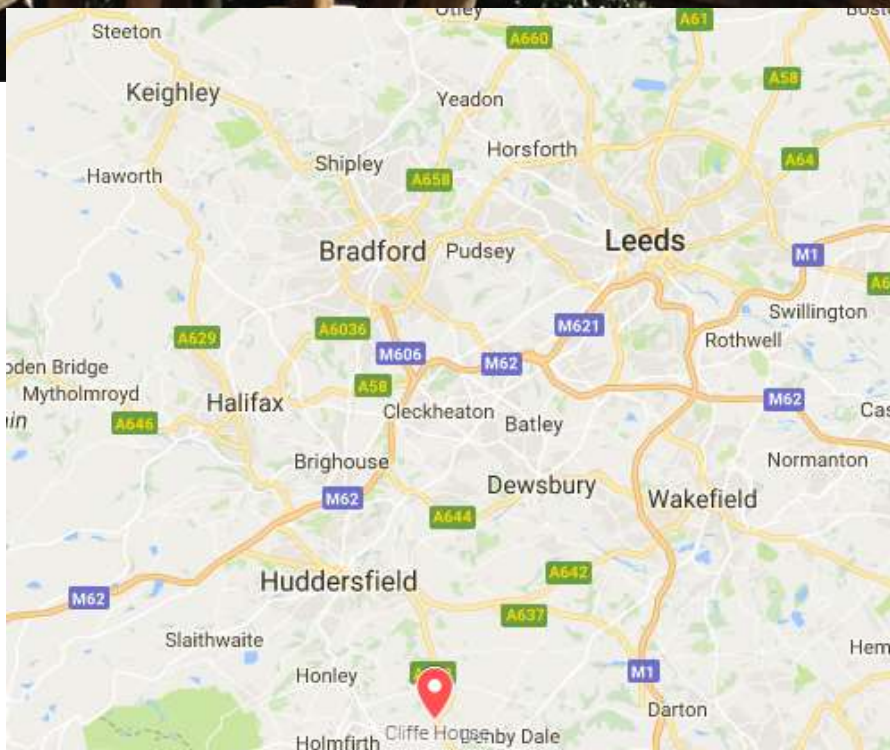

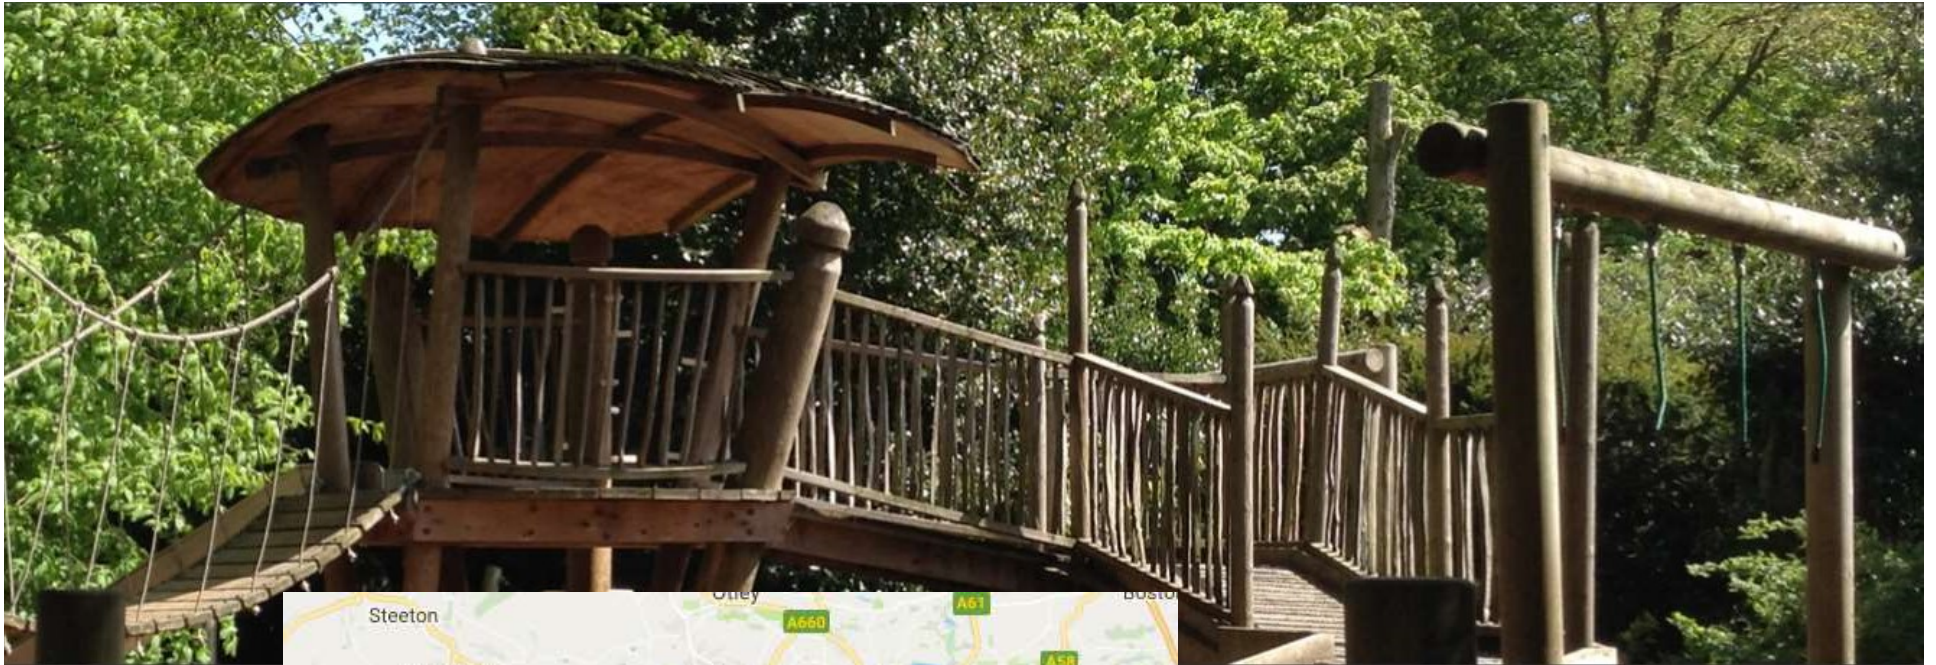

Our core values of **hard work**, **independence** and **enjoyment**, permeate all that we do. From the moment a pupil arrives at Dixons Music Primary we ask them to live these values. We also focus on three key drivers: **Mastery**, which is the drive to get better at things that matter; **Autonomy**, or the drive to direct our own lives; and **Purpose**, which is the drive to connect to a cause larger than ourselves.

In our achievement-oriented culture, it is cool to be smart, and all pupils work hard to **climb the mountain to university or a real alternative**. However, we want our pupils to have a great life, not just a top job or a place at a great university. Therefore, we are deeply committed to opening the hearts and minds of our children in every way.
