

## **E-Safety and Computing: Stay and Learn**

January 2026

Dear Families

We would like to invite you to a Stay and Learn session on E-Safety and Computing taking place on Monday 9 February, 8:45am – 9:25am. The session will be open to all families across school.

This session will give you the opportunity to:

- Find out more about how Computing is taught in school
- See an E-safety/Computing lesson live in your child's classroom
- Learn how you can help keep your child safe using technology at home

We believe that learning together helps strengthen the partnership between home and school, and we are excited to share with you how we approach this important subject.

**Please use the form below to sign up for this session:**

Thank you for your continued support, and we look forward to welcoming you.

Yours faithfully  
**Mr Hill**  
**Media Pioneer**
