

## Dixons Music Primary continues to be an Outstanding school

Staff at Dixons Music Primary were delighted to learn last week that the school continues to be Outstanding in all areas after a recent inspection by Ofsted.

The report from the inspection carried out in June this year, highlights the academy as a 'remarkable school where excellence is a habit'. It praises school leaders for ensuring 'a united school community where pupils and staff share the same high expectations'. The report comments on the success of the academy's values driven culture, focusing on the core values of hard work, independence and enjoyment, and emphasises that students 'live these values every day'.

The academy is part of Dixons Academies Trust, a high performing school trust of 16 schools whose mission is to challenge educational and social disadvantage in the North.

Luke Robins-Ross, Principal, Dixons Music Primary said:

"Staff have a relentless focus on doing whatever it takes for our students to climb their mountain and we are extremely proud of all staff, students and families for continuing to ensure that the academy's mission is achieved. It is really about being values driven, focusing relentlessly on our mission and results, doing the simple things well every day and building strong relationships at all levels."

### **About Dixons Music Primary**

Dixons Music Primary opened in 2012 in the heart of Bradford and challenges social inequality by having high expectations for all children, creating an environment in which children are supported to climb their mountain. Its mission is that all children will succeed at university, or a real alternative, thrive in a top job and have a great life.

### **About Dixons Academies Trust:**

Dixons Academies Charitable Trust Ltd (Dixons) is a school trust of 16 schools in Bradford, Leeds, Liverpool and Manchester. Built around the high-performing Dixons City Academy, the schools are a mix of sponsored turnaround academies and start-up free schools. The trust is made up of 3 primary, 2 all-through schools, 10 secondary and 1 sixth form.
