

January 2026

Dear families

### **Electronic Eid Card Competition 2026**

As you may recall, for the last couple of years, Dixons Music Primary has participated in the Department of Children's Services competition inviting all the young people of Bradford to design two images that could be used in Eid celebration cards for the Council. Following our success in submitting a winning entry last year (and the year before!), we would love to provide pupils with the opportunity to partake in this competition again. The images designed by pupils will be sent out during the two Eid celebrations in 2026 and all winning schools will receive a certificate and a prize.

Judges will be looking for imaginative and eye-catching designs that can be used for:

- Eid al-Fitr in March 2026
- Eid al-Adha in June 2026

Pupils should take inspiration from traditional Eid cards and images but add their own special touch to the design. See reverse for some examples.

Any pupils wishing to participate in this opportunity should complete their designs on the reverse side of this letter in the spaces provided. All entries must be submitted to the academy office by **Monday 2 February**.

Thank you for your continued support.

Yours faithfully

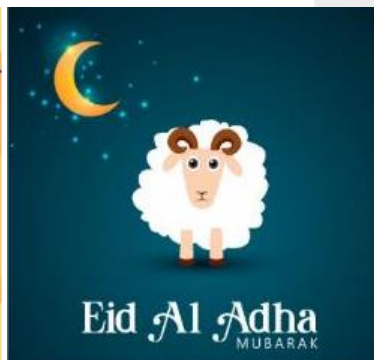

**Miss Brown**  
**Personal Development Pioneer**
