

November 2024

Dear families

### **Humanity Calling Fundraiser 2024**

On **Wednesday 13 November**, Dixons Music Primary will be holding a bake sale to raise money for the local charity Humanity Calling. Humanity Calling are a Bradford based charity, who raise money for a variety of causes and are currently focussing their fundraising efforts on supporting the people of Palestine.

We kindly invite all families to contribute baked goods for us to sell during our bake sale. We ask that all baked goods have allergen information clearly labelled on them. We would like to take this opportunity to remind all families that we are a nut-free school and are therefore unable to accept any baked goods containing nuts. Any baked goods you wish to contribute should be sent to school with your child on the morning of the bake sale. All baked goods will be priced between 50p - £1 and will be available for families to purchase from the DMP Hall from 3:00pm. Please note that we do not accept card payments and ask that you have exact change where possible.

If you would like to find out more information about Humanity Calling, please feel free to explore the following website: <https://www.humanitycalling.org.uk/home>

We appreciate your support and generosity in making this bake sale a success. Thank you for your continued support.

Yours faithfully

**Miss Brown**
