

September 2022

Dear parent / carer

Medical Information Form (all parents / carers to complete for all students with / without medical needs)

It is very important that we have an accurate record of all students' medical needs. As we are updating our pupil records in school, we would be grateful if you could confirm whether your child **does** or **does not** have any medical needs by completing the attached form and returning it to the academy office or a member of staff on morning / afternoon duty by **Friday 9 September 2022**.

Best wishes

**Mr Robbins-Ross
Principal**
