

June 2026

Dear families

We are very much looking forward to meeting your child soon as they begin their primary school journey with us. We hope your child is very excited and looking forward to seeing their classroom and meeting their new class teacher.

Settling-in sessions: important update

Our staggered transition will take place between **Wednesday 2 September** and **Friday 4 September**. Your child will be allocated a slot during the week to visit the setting for half a day to get to know the classrooms and their class teacher. Every family will be allocated either a morning or afternoon session, and we will confirm the day and time of this session before the summer holidays.

Your child's final allocated class will be decided and communicated on **Thursday 3 September by 4pm** and this will be communicated via a text message with a link to a letter confirming the class your child has been allocated to. Your child will then start at the academy, on a staggered transition, slowly increasing the length of time in school each day.

On **Monday 7 September**, children will stay from 8.20-11.20am.

On **Tuesday 8 September** your child will stay until lunchtime from 8.20am-12.35pm

On **Wednesday 9 September** your child will stay for the full day 8.20am – 3.05pm.

Breakfast is available, in classrooms, for all students from 8.20-8.30am each day.
