

April 2023

Dear families

SATs Week

The Year 6 team are very proud of Year 6 who have been working tirelessly since September and have thoroughly demonstrated the academy's values of hard work, independence and enjoyment in the lead up to SATs.

This year, SATs week will commence **Monday 13 May – Thursday 16 May**. It is completely natural for students to feel nervous during this time and therefore extremely important that every student is in each day and on time to ensure they have a calm start to the day before sitting their SATs assessments. Breakfast will be available for all students as normal each day and familiar adults will be there to offer support and reassurance.

We ask for students to continue their revision until SATs week using their Maths and English revision guides, practise test papers, knowledge organiser folders and, if able to access the internet, BBC Bite Size KS2 Maths and English.

To support your child during SATs week, we would strongly advise that they are in the following routine:

- Have an early night;
- Avoid electronics an hour before bedtime;
- Set an alarm to be up bright and early;
- Eat breakfast;
- Drink plenty of water.

Best wishes

The Year 6 Team
Mrs Brearley, Mrs Batool and Miss Mahmood
