

March 2023

Dear families

We are pleased to inform you that year 5 are taking part in The School Linking Project. This is a scheme in which year 5 classes in schools across West Yorkshire get the opportunity to communicate, collaborate and experience life in other school contexts.

As part of this project, pupils send letters and creative artwork to get to know each other better. We have found in previous years that it has been beneficial to share photos or film clips between the classes participating as this has helped students create stronger connections and ensured pupils recognise their new peers when classes visit each other towards the end of the project.

Please return the permission slip below to enable the sharing of pupil photos, video and audio clips. All GDPR procedures will be followed and this information will only be shared with the participating class and relevant staff.

Kind regards,

Mr Hill and Mr Stanier
Year 5 Class Teachers
