

February 2024

Dear families

### **Science Professors**

On **Monday 18 March**, Dixons Music Primary will be taking part in the 'Science Professors' workshop. The workshops mission is to inspire a love for science in young learners. The engaging, fun, interactive activities will support our students in accessing scientific concepts, sparking curiosity and fostering critical thinking. The aim of the sessions is to create memorable experiences for students and fuel future academic pursuits.

This activity has been subsidised by the academy but we kindly ask for a contribution of £2, payable via ParentPay towards the cost of this enrichment day.

Yours faithfully,

**Miss Hussain**  
**Science Champion**
