

June 2026

Dear families

EYFS Sports Day 2026

On **Friday 10th July 2026**, students in **EYFS** will be participating in this year's **DMP Sports Day**. On this day, all students should come to school in their black PE kits ready to participate in several sporting activities throughout the day. Please ensure wherever possible that students come to school with their water bottles, and in the event of a sunny day, have the correct sun protection.

Sports day will be held at the following times for each year group:

Year Group	Time
EYFS	9:00 – 10:30am

Students will participate in a warm-up led by Miss Collins, followed by a series of races and circuit activities.

We would like to invite families of our pupils along to spectate during these events. Any families wishing to attend should ensure they are in the academy office by the start of their year group session. A limited number of refreshments will be available to purchase while you spectate. Families are warmly encouraged to join in with all aspects of the day, warm up and races included!

We look forward to having you with us to cheer on our pupils during their sports day.

Yours Sincerely,

Miss Brown
Personal Development Pioneer

Miss Collins
Specialist PE Teacher
