

November 2025

Dear families

### **World Diabetes Day**

On **Monday 17 November**, Dixons Music Primary will be holding a non-uniform day in recognition of World Diabetes Day. Over 35,000 children in the United Kingdom are living with a diabetes diagnosis and it is one of the most chronic diseases in the UK. Diabetes can be life-threatening for many children and young people, and caring for a child with diabetes can be very challenging for many families. Registered Charity Diabetes UK helps to relieve some of the struggles these families are facing by offering information, advice and peer support, so people with diabetes can manage their condition effectively.

We are inviting pupils to come to school wearing anything blue, the colour of the diabetes awareness ribbon, along with a suggested donation of £1.

If you would like to find out more information about Diabetes UK, please feel free to explore the following website:  
<https://www.diabetes.org.uk/>.

Thank you for your continued support.

Yours faithfully

**Miss Brown**  
**Personal Development Pioneer**
