

April 2025

Dear families

We are delighted to inform you about the end of Year 6 celebration trip. This year students will be going to Insane Air – Bradford’s biggest indoor play area. This is a fantastic opportunity for Year 6 to have fun together and build memories in their final days at Dixons Music Primary.

The students and staff will be travelling in two separate groups by minibus between the times of 10:30am and 2:30pm. Therefore, as usual, pupils should arrive at school promptly at 8.20am. Packed lunches will be provided.

As per our recent letter, our behaviour policy for Year 6 has been adapted to reflect the expectations of their upcoming secondary schools. Students are aware of this change. They understand that they are responsible for their own actions and that the academy values and learning habits should always be followed.

Continuing with these expectations, any student who receives 9 corrections between 27.04.26 and 03.07.26 **will not** be able to take part in this trip.
