

15 September 2021

Dear families

School Photographs: Friday 17 September

The School Photography Company will be in the academy this Friday to take photographs of all students.

It is preferred that all students wear their green DMP uniform. If your child normally has PE on this day, they can still wear their green DMP uniform.

Sibling photographs will also take place but this will **only** be for siblings who are students at the academy.

Unfortunately, it is unlikely that there will be a further opportunity for your child to have their official academy photo taken if they are absent on Friday.

Best wishes

**Mr Robbins-Ross
Principal**
