

01 October 2021

Dear families

The Bradford Central Foodbank Harvest Donations

We are taking part in **The Tremendous Tin Challenge** to help the Foodbank this Harvest to ensure they can continue to provide food for people in crisis.

The academy partnered up with the Bradford Central Foodbank over the past 18 months to ensure families had access to food during lockdowns.

The Foodbank is feeding 1000 people a month and needs our support to ensure sufficient supplies are available.

Please donate as many of the following items as you can by bringing them into the academy **on Tuesday 12 October**.

We are unable to accept donations before / after this date due to storage restrictions:

We are also asking for £1 donations to be bought in on **Tuesday 12 October** (as well as the above items) and will be donating 100% of the proceeds to the Foodbank.

Thank you for your support,

**Mrs Shehzad
Academy Enrichment Lead**
