

17 June 2022

Dear families

**Careers day – Friday 15 July 2022**

Dixons Music Primary will be holding a Careers day on **Friday 15 July**. Careers day is an initiative to inspire children to think about their future ambitions, goals and aspirations. This gives them an insight into different careers and what their future may hold.

On the day the children will be taking part in fun, career related activities with a focus on their future plans and aspirations. We will also have guest speakers talking about their careers and the journey they embarked upon to achieve their goals.

We are asking each child to wear dress that reflects a job or career they would like to pursue in the future or smart business dress e.g. shirt/blouse with trousers/skirt. Children don't need to buy full outfits or costumes; please just encourage your child to use their imagination and think about a few props that will help express their ambitions for the future.

As always, thank you for your support.

Kind regards

**Miss Parveen**

**Year 4 Class Teacher**
