

January 2022

Dear families

We are currently experiencing significant levels of staff absence due to Covid-19 but managing to keep all classes and year groups in school. However, there may come a point where staffing levels become unmanageable and your child's class / year group maybe asked to stay at home to complete learning remotely.

We have therefore sent home new login details for you to support your child in accessing Microsoft Teams which is the platform used to deliver our asynchronous remote learning. EYFS students will access remote learning through Tapestry.

Further details can be found on the academy website in terms of [our offer](#) and [supporting documents](#) to support your child to access Microsoft Teams. Should your child's year group be asked to stay at home, the first day of remote learning will be following the plans on the remote learning page of the academy website with asynchronous lessons delivered by the class teacher from day 2.

As always, thank you for your continued support.

**Miss Parry  
Acting Principal**
