

26 May 2022

Dear Parents and Carers,

We are excited to announce that the Year 3 sleepover will take place on **Thursday 16 June**. This event is often the first experience our Year 3 students have of staying a night away from home and is great preparation for longer residential in older year groups. Whilst parents and students may feel anxious about students staying away overnight for the first time, it is expected that all students participate in enrichment activities such as these as they provide opportunities to develop teamwork and build confidence in a safe and familiar environment. Please support and encourage your child to attend this event.

If your child requires any medication during the sleepover please fill in the attached form and give this to the academy office on the morning of **Thursday 16 June**. No medicines will be able to be administered without this form.

On **Friday 17 June** Year 3 students are able to be collected at **12:45pm**, unfortunately on this occasion you will only be able to collect your Year 3 child and not any siblings who may be in other year groups.

There will be a parent meeting at the beginning of next term to find out more information along with opportunities to speak to members of the Year 3 team. If you wish to discuss any medical, toileting or personal needs in order to make your child's sleepover experience as comfortable and enjoyable as possible please let a member of staff know and this can be arranged.

Thank you in advance for your continued support.

Yours sincerely

Mrs Southworth and Mrs Whitehouse- Walker
Year 3 teachers

Year 3 Sleepover – 16 June 22

[] My child is able to take part in Y3 Sleepover on **16 June 22**. I will drop off and collect at the above times and will fill in the attached medication form prior to the event.
